

Daily Visual Transition & Schedule Cards Set

Visual Scaffolding for Transitions & Anxiety Reduction | Framework: TEACCH & Visual Autism Support Methodology

CHILD'S NAME	AGE / GRADE	DATE	COMPLETED BY

Visual Schedule Cards (Cut & Place on Routine Board)

Cut out these structured cards and attach Velcro strips or magnets. Position them in a vertical sequence so the child can move each card to a "Done" pocket.

MORNING CARDS	SCHOOL & STUDY CARDS	EVENING & CALMING CARDS
1. Wake-Up & Open Curtains Sensory cue: Natural light	6. Classroom Arrival Check-in with teacher	10. Free Play / Outdoor Time Proprioceptive recharge
2. Brush Teeth (2 Min) Use visual sand timer	7. Homework Block (20 Min) Body doubling with adult	11. Dinner & Family Talk Zero screens at table
3. Get Dressed Pre-laid clothes on chair	8. Brain & Movement Break 5 min trampoline / stretch	12. Screen Sunset (-60 Min) Dock devices in charger
4. Breakfast Time High protein focus	9. Pack School Bag for Tomorrow Check off subject folders	13. Warm Bath / Heavy Blanket Calming sensory pressure
5. Shoes & Backpack Launchpad entry station		14. Bedtime Story & Lights Out Audiobook or dim lamp reading

Implementation Rule: Never remove a visual schedule card as a punishment. The schedule is an external nervous-system anchor, not a reward.
